## HONORING RABBI C. MICHELLE GREENBERG

We will bid a fond adieu to Rabbi Greenberg who is leaving Temple Jeremiah after six years of dedicated service.

Rabbi Greenberg has been instrumental in expanding our Youth Department programs, developing our social action agenda, promoting our Caring Community, creating an alternative High Holy Day worship program on which we will continue to build and contributing to our community in a variety of other ways.

We wish her the best as she embarks on her new journey.

## VOLUNTEERS: JOIN US AS WE RECOGNIZE YOUR HARD WORK

We will show our appreciation to the many volunteers who assisted at the temple this past year as part of our Sherut L'Am ("Service to the People") volunteer program. Join us for this special recognition event.

Launched this year, Sherut L'Am has given congregants the opportunity to help at temple in a variety of ways - from performing office duties to assisting at events. Sherut L'Am has also afforded the temple the chance to forge new bonds with its members.

We are proud of the many people who stepped forward to respond to this initiative.

We look forward to your continued participation in the life of the temple.

## *Celebrating 50 Years*

Founded in 1959 by a group of dedicated individuals who wanted to create a house of worship combining the enduring ethics and traditions of Judaism with the ongoing needs of contemporary society, Temple Jeremiah has evolved into a vibrant congregation encompassing over 830 households today.

From worship programs for Shabbat and the festival holidays to outstanding Religious and Hebrew Schools, preschool, Confirmation and post-Confirmation programs, Temple Jeremiah addresses the needs of its diverse membership. We offer a dynamic adult education curriculum and varied social action opportunities to serve the community around us. Our Brotherhood, Sisterhood, Empty Nesters, Outreach, Youth Department and other groups offer a broad array of activities - from worship programs to fun events such as bowling and bingo.

Be part of our Temple Jeremiah community as we celebrate the next 50 years and beyond.
