<u>College Connection</u> (a form must be completed with contact information for your student)	\$50

Please be sure to update your financial status with bookkeeping prior to registration. If there is a previous balance, this must be addressed before your child can be placed in a class.

Registration, once again, will only be online. There are no forms (except for College Connection).

To begin, you must go to our website, www.templejeremiah.org

1. In the upper right corner you will see “Member Login.” Click on this and you will be at the sign-in page.
2. Enter your email (primary) as your ID and then your password. If you do not have or cannot remember your password you have two options:
 - a. Click the link to retrieve your password by email or
 - b. Call the school office.
3. Sign-in. The next page will offer you a white column on the left.
4. Click on “School Registration”

This will begin your registration process.

- Each page must be completed before you can move on to the next.
- Each child and each class will be registered separately.
- Please be sure to include any concerns you have for your child’s health: mental, emotional, physical, or anything that could be helpful for our teaching staff (including any allergies).
- Do not omit the name of the school your child will be attending in the fall.
- Document any special requests you have regarding friendships, teaching preferences, etc.
- If your child has an email address it would be helpful for us to have that as well.

Please contact Sheila@templejeremiah.org if you have any questions or concerns with your registration.

Keep in mind, if you have a specific day/session needs, it is best to register early. I know many people are waiting to get schedules for their child’s activities, but please don’t wait. Choose the one you want now and we will make the change if need be when you get your schedules.

One more thing: If you have a financial concern, register with the deposit (\$50 per class) and contact Danny Glassman to arrange a payment schedule. Don’t hesitate to register until last minute- your preferred session, class or friendship request may not be possible.
